## Exhibition Display Boards

Thanks to a grant from Richmondshire District Council, we have been able to purchase two sets of portable display boards, which will be based at the John Ross suite, Gilling West Village hall.

They were acquired to enable the staging of a **Photographic Competition**, open to all residents in the North Richmondshire area. This will take place in early September, at the John Ross Suite.

When not being used for the Competition, the boards will be available for hire by any community group or school in North Richmondshire, for village shows, exhibitions etc.

There are two sets of eight lightweight boards, with poles and click links, plus two small header boards. Each board is double sided, with grey or emerald green loop nylon fabric. They can be erected in various combinations of landscape or portrait orientation.

Special hook fastener tabs should be used to fix display materials to the boards.

The boards pack into carrying bags that can be transported in a car boot.

### Conditions for loan

1. The display boards are to be used for community activities.
2. Care should be taken to display material only with Velcro tabs.
3. All the parts borrowed should be returned in good condition.
4. Arrangements should be made by the borrower to pick up and return the boards to John Ross Suite.
5. A deposit of £50 for up to 8 panels and £95 for 9-16 panels should be paid at pickup. The panels will be loaned at £1.00 per panel, per day, up to 5 days which will be deducted from the deposit if all the items are returned in good condition e.g for 6 panels £44 would be returned. Longer loans will be by arrangement, e.g £50 for 8 boards for 1 week or £100 for 16 boards for a week.
