

MELSONBY PARISH COUNCIL

in conjunction with North Yorkshire County Council

ROAD SAFETY CAMPAIGN KEEP MELSONBY SAFE --it's not just for the kids!

MELSONBY VILLAGE SPEED AWARENESS CAMPAIGN Installation of a Vehicle Activated Sign (VAS)

You will know that we monitor the speeds of vehicles using our village roads. This is drawn to motorists' attention with the recently installed "This is a Speedwatch Village" signs on all four approaches.

We now plan to go further and install a VAS, on the east side of Moor Road (opposite number 60), which can check speeds of vehicles arriving into and leaving the village and can be moved to other locations where practical. There is a similar installation near the bridge in Gilling West.

It will take some weeks for the Melsonby installation to take place but we thought we'd let you know what we are doing now to protect you and your family.
