

William Cockin Trust

We are coming up to the time when the Trust invites applications for grants. For anyone not familiar with it, the Cockin Trust awards small amounts of money to youngsters under the age of 25 who (or whose parents) live in Melsonby. This is for funding towards many sorts of educational or training projects, and may include sporting, musical, academic and even recreational activities. Awards are available both for individuals, and for those in charge of groups or societies where

village youngsters participate.

If you are embarking on a project and need financial help, get an application form from the secretary, Gail Smith, or have a word with any of the Trustees. You can apply even if you've had a grant from us before.

The closing date for applications in 2020 is September 11th.
