## Updates

Crime figures have increased from October to November with 25 crimes in the area in October increasing to 38 for November. Therefore our Christmas safety campaign is prevalent ensuring residents stay as safe at this time of year.

We are pleased to report a new police constable will be joining Richmond neighbourhood policing team from the start of December. PC Chris Coleman will be joining the team and assisting with matters within the rural Richmondshire areas.

## News Stories

As the festive season approaches North Yorkshire Police have launched their Christmas safety campaign. This has involved visiting residents, educating them on the importance of locking house doors and vehicles. So far over 300 households have been visited by Police within Richmondshire and had their car doors and houses checked. Roughly 15% of these have been found insecure and therefore educated about the importance of keeping their property locked and secure.
