Updates

During March, we have noticed a number of calls regarding cold callers attending addresses. This has been to sell various items, claim they are working for a charity and also aiming to purchase cars. Please make contact with the police if you have similar calls to your door so that we can try and locate potential offenders.

Further to this we have recorded a number of suspicious incidents involving, empty properties where offenders have gained entry. Please ensure vacant properties are suitably secured. CCTV is a great deterrent and assists us with identify offenders so if you have the option to install this please do so.

Advice

Over the past few days, a tipping trailer was stolen from Station Road in North Cowton. This was from the building site where new houses are under construction. A vehicle was broken into at The Holiday Inn at Scotch Corner, where tools and money were stolen.

Therefore please ensure you keep any valuables locked and safely secured. If you do happen to have CCTV, please ensure it is in fully working order. Finally, if you do happen to see any suspicious activity please do report it to us via 101 or in an emergency 999.
